

Your mission: Find the words!

Below is the Mission Statement of Habitat for Humanity. The words that are underlined are hidden in the word search below. Can you find all the words?

Mission Statement:

Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses so that there are decent houses in decent communities in which every person can experience God's love and can live and grow into all that God intends.
